Welcome to Tennysonvale Simmental Fleckvieh 7th Annual On-Farm Sale

Welcome to our 7th Annual on property Simmental Fleckvieh Sale. We are confident this years range of cattle contains some of our best and we are sure you won't be disappointed.

Tennysonvale was established in 1988 and we have been showing cattle for over 30 years and now boast 4 generations of cattle breeders.

Our primary aim is breeding poll, easy doing, early maturing and structurally sound cattle, suited to any climate.

We have been selling stud cattle in our own sales for over 20 years, starting with the Great Opportunity Female Sale, progressing to the Prime Beef Bull & Female Sale, to our latest incarnation, the **Tennysonvale Sale (7th)**.

We would like to thank all previous buyers and bidders for their loyalty to our stud over the many years of production and hope to see you and hopefully some new faces over the coming months.

As you would be aware we, like everyone else, have had an extremely tough season and an interesting start to the year. The cattle offered have been Pesti tested and all vaccinations have also taken place. Again this year we have tick vaccinated all sale cattle.

Two females will be offered PTIC, all other females will be offered pregnancy tested unjoined. All females are ready to contribute to your herd.

The bulls this year are an excellent line with so much consistency, proving their easy doing capabilities even in tough conditions.

Just a reminder we offer free delivery if you purchase 3 head or more. Otherwise, delivery will be made to the purchasers nearest major sale yards.

We are available to discuss any animal at your convenience, so please do not hesitate to contact us. We look forward to seeing you when we deliver your new purchases.

Ian, Cheryl, Col, Joan, Carl, Nicole, Jared, Sam, Nathan & Hannah Baldry.
